

Year 4 curriculum map

Spring term 2017/2018

English

Working towards the end of year expectations:

- Children are placed in their appropriate Success for All (SfA) groups where the focus text will change every one/two weeks
- Each SFA group will be working towards end of year expectations in Reading and Writing accordingly
- Extended writing weeks, in which children write in a variety of genres and styles
- Reading, reciting and performing poems in Poetry Week
- Regular No Nonsense Spelling lessons to develop spelling skills
- Regular handwriting lessons through the Nelson scheme

Mathematics

This term we are focusing on:

- Division – dividing 2/3 digit numbers by 1 digit and looking at remainders.
- Fractions – Recognise and show, using diagrams, families of common equivalent fractions.
- Decimals – Recognise and write decimal equivalents of any number of tenths or hundredths.

PHSE

- Cooperative learning skills across all of our lessons to greater benefit our learning
- PUPAC values

Discovery

Land, Sea and Sky & Living Together

Researching different habitats

Learning about how different animals are designed for their habitat.

Creating a life cycle of a fish

Researching about famous people in our community

Exploring a map of the local area

Learn about different groups that people belong to.

PE
