5th October 2018

Dear Parents and Carers,

This week we have attached name cards to the reading records and would really appreciate any support you can give by practising name writing and letter formation with your child at home. Attached to this letter is a copy of how we form our letters at Hawkes Farm and some information and guidance on developing a good pencil grip. For example, you might first write your child's name and ask them to trace it, you could then write the letters in dots and encourage your child to trace or join these dots together. Once your child becomes more confident, they could have a go at writing each letter independently. You can use paper and pencils, pens, whiteboards, chalks or paints to make it as fun and as interesting for your child as possible.

If you have any questions, please do not hesitate to ask your child's class teacher.

Kind regards,

Miss Florides
