Wednesday 13th February

Dear Parents and Carers,

LOOSE CHANGE CHALLENGE

Monday 25th February – Friday 8th March

Due to the success of last year's Loose Change Challenge, we are holding another one during the first two weeks of Term 4. This will be held from Monday 25th February until Friday 8th March. The children have discussed this in assembly and have fed back ideas for what the winning house money will be spent on. The children have requested new play equipment for the playgrounds, balls, hoops, skipping ropes etc. The winning house will choose what equipment they would like but everyone will be able to use it at play times.

We are asking if you can have a hunt for any loose change that you may have lying around the house and that the children bring it in to deposit in the correct coloured house container that will be in their year group shared area. A reminder of the house colours:

Ash — Green

Beech — Yellow

Oak — Blue

Hazel — Red

Your child's teacher will remind the children of their house if they are unsure.

Each day the containers will be emptied into a donation bucket and children will be told which house is in the lead. We will then count up all the loose change donated and the house, which has raised the most money, will get to spend their grand total on their choice of new play equipment.

So please have a hunt over half term in readiness for the challenge and we look forward to seeing which house will get to choose some new play equipment.

Yours sincerely,

The Friends of Hawkes Farm Committee
