Dear Parents,

Monday 4th March

GROUND FORCE DAY – SATURDAY 16th MARCH and/or 23rd MARCH 9.30AM – 3.30PM

We are holding our next Ground Force Day on Saturday 16th March, with a reserve of the 23rd in case of bad weather or if we haven't finished the jobs we intend to complete.

We worked very hard last year to create a wonderful space for the Infant children but we didn't quite finish it off, as we wanted to utilise the upper part of the playground and create an additional play space for them. We have several Dads who are meeting up with us to plan the area, but one of the main things we intend to create is a role play area for the children; a stage area in which they can use their imagination and perform. The Rights Respecting Council have come up with this as well as several other ideas after discussion with their classes. We hope to be able to incorporate as many of their ideas as possible and for these Dads to help us make their ideas a reality!

So as well as assisting these Dads, we are also intending to remove the condemned boat and train in the Infant playground as well as dismantling the Sports Wall in the Junior playground as it is too costly to repair and repaint when it doesn't really get used anymore. We also have various planting areas to weed and breathe some life back into, so a variety of jobs which we would welcome your help with.

If you are able to lend a hand, please return the slip below so we can cater accordingly and ensure that we keep you supplied with rolls, cake, tea and coffee! Alternatively, if you prefer email us at chair@friendsofhawkesfarm.co.uk.

So please come armed with your gardening tools, wear your wellies, come and get involved, we would love to see you!

Please return the slip attached as soon as possible, or by Wednesday 13th March at the latest.

We look forward to seeing you on Saturday 16th March for as little or as much time as you can manage!

Regards

The Friends of Hawkes Farm Academy
